

**Business Associations - Fall 2008 - Notes on Partnership Dissolution**

**Owen v Cohen:** Court finds an implied term that the partnership is to exist until a loan by one partner is repaid out of profits

**Page v Page:** Although the partnership was a partnership at will the right to dissolve the partnership was subject to fiduciary duties. If one partner attempted to sue dissolution to appropriate value to himself, the dissolution would be wrongful.

**Query whether this result could be reached under RUPA s 602(b)** (see below).

**Kentucky Statute in Fischer v Fischer:** 362.300. Causes of dissolution.

Dissolution is caused:

(1) Without violation of the agreement between the partners:

(a) By the termination of the definite term or particular undertaking specified in the agreement,

(b) By the express will of any partner when no definite term or particular undertaking is specified,

(c) By the express will of all the partners who have not assigned their interests or suffered them to be charged for their separate debts, either before or after the termination of any specified term or particular undertaking,

(d) By the expulsion of any partner from the business bona fide in accordance with such a power conferred by the agreement between the partners;

(2) **In contravention of the agreement between the partners**, where the circumstances do not permit a dissolution under any other provision of this section, **by the express will of any partner at any time.....**

**Should the result in Fischer v Fischer be different under RUPA?**

(3) the partner's expulsion pursuant to the partnership agreement;

(4) the partner's expulsion by the unanimous vote of the other partners if:

(i) it is unlawful to carry on the partnership business with that partner;

### **SECTION 602. PARTNER'S POWER TO DISSOCIATE; WRONGFUL DISSOCIATION.**

(a) **A partner has the power to dissociate at any time, rightfully or wrongfully, by express will pursuant to Section 601(1).**

(b) A partner's dissociation is wrongful **only if**:

(1) it is in breach of an express provision of the partnership agreement; or

(2) in the case of a partnership for a definite term or particular undertaking, before the expiration of the term or the completion of the undertaking:

(i) the partner withdraws by express will, unless the withdrawal follows within 90 days after another partner's dissociation by death or otherwise under Section 601(6) through (10) or wrongful dissociation under this subsection;

(ii) the partner is expelled by judicial determination under Section 601(5);

(iii) the partner is dissociated by becoming a debtor in bankruptcy; or

(iv) in the case of a partner who is not an individual, trust other than a business trust, or estate, the partner is expelled or otherwise dissociated because it willfully dissolved or terminated.

(c) A partner who wrongfully dissociates is liable to the partnership and to the other partners for damages caused by the dissociation. The liability is in addition to any other obligation of the partner to the partnership or to the other partners.

### **SECTION 603. EFFECT OF PARTNER'S DISSOCIATION.**

(a) If a partner's dissociation results in a dissolution and winding up of the partnership business, [Article] 8 applies; otherwise, [Article] 7 applies.

(b) Upon a partner's dissociation:

(1) the partner's right to participate in the management and conduct of the partnership business terminates, except as otherwise provided in Section 803;

(2) the partner's duty of loyalty under Section 404(b)(3) terminates; and

(3) the partner's duty of loyalty under Section 404(b)(1) and (2) and duty of care under Section 404(c) continue only with regard to matters arising and events occurring before the partner's dissociation, unless the partner participates in winding up the partnership's business pursuant to Section 803.

### **SECTION 701. PURCHASE OF DISSOCIATED PARTNER'S INTEREST.**

(a) If a partner is dissociated from a partnership without resulting in a dissolution and winding

up of the partnership business under Section 801, the partnership shall cause the dissociated partner's interest in the partnership to be purchased for a buyout price determined pursuant to subsection (b).

(b) The buyout price of a dissociated partner's interest is the amount that would have been distributable to the dissociating partner under Section 807(b) if, on the date of dissociation, the assets of the partnership were sold at a price equal to the greater of the liquidation value or the value based on a sale of the entire business as a going concern without the dissociated partner and the partnership were wound up as of that date. Interest must be paid from the date of dissociation to the date of payment.

(c) Damages for wrongful dissociation under Section 602(b), and all other amounts owing, whether or not presently due, from the dissociated partner to the partnership, must be offset against the buyout price. Interest must be paid from the date the amount owed becomes due to the date of payment.

(d) A partnership shall indemnify a dissociated partner whose interest is being purchased against all partnership liabilities, whether incurred before or after the dissociation, except liabilities incurred by an act of the dissociated partner under Section 702.

(e) If no agreement for the purchase of a dissociated partner's interest is reached within 120 days after a written demand for payment, the partnership shall pay, or cause to be paid, in cash to the dissociated partner the amount the partnership estimates to be the buyout price and accrued interest, reduced by any offsets and accrued interest under subsection (c).

(f) If a deferred payment is authorized under subsection (h), the partnership may tender a written offer to pay the amount it estimates to be the buyout price and accrued interest, reduced by any offsets under subsection (c), stating the time of payment, the amount and type of security for payment, and the other terms and conditions of the obligation.

(g) The payment or tender required by subsection (e) or (f) must be accompanied by the following:

- (1) a statement of partnership assets and liabilities as of the date of dissociation;
- (2) the latest available partnership balance sheet and income statement, if any;
- (3) an explanation of how the estimated amount of the payment was calculated; and
- (4) written notice that the payment is in full satisfaction of the obligation to purchase unless, within 120 days after the written notice, the dissociated partner commences an action to determine the buyout price, any offsets under subsection (c), or other terms of the obligation to purchase.

(h) A partner who wrongfully dissociates before the expiration of a definite term or the completion of a particular undertaking is not entitled to payment of any portion of the buyout price until the expiration of the term or completion of the undertaking, unless the partner establishes to the satisfaction of the court that earlier payment will not cause undue hardship to the business of the partnership. A deferred payment must be adequately secured and bear interest.

(i) A dissociated partner may maintain an action against the partnership, pursuant to Section 405(b)(2)(ii), to determine the buyout price of that partner's interest, any offsets under subsection (c), or other terms of the obligation to purchase. The action must be commenced within 120 days after the partnership has tendered payment or an offer to pay or within one year after written demand for payment if no payment or offer to pay is tendered. The court shall determine the buyout price of the dissociated partner's interest, any offset due under subsection (c), and accrued interest, and enter judgment for any additional payment or refund. If deferred payment is authorized under subsection (h), the court shall also determine

the security for payment and other terms of the obligation to purchase. The court may assess reasonable attorney's fees and the fees and expenses of appraisers or other experts for a party to the action, in amounts the court finds equitable, against a party that the court finds acted arbitrarily, vexatiously, or not in good faith. The finding may be based on the partnership's failure to tender payment or an offer to pay or to comply with subsection (g).

#### **SECTION 702. DISSOCIATED PARTNER'S POWER TO BIND AND LIABILITY TO PARTNERSHIP.**

(a) For two years after a partner dissociates without resulting in a dissolution and winding up of the partnership business, the partnership... is bound by an act of the dissociated partner which would have bound the partnership under Section 301 before dissociation only if at the time of entering into the transaction the other party:

- (1) reasonably believed that the dissociated partner was then a partner;
- (2) did not have notice of the partner's dissociation; and
- (3) is not deemed to have had knowledge under Section 303(e) or notice under Section 704(c).

(b) A dissociated partner is liable to the partnership for any damage caused to the partnership arising from an obligation incurred by the dissociated partner after dissociation for which the partnership is liable under subsection (a).

#### **SECTION 703. DISSOCIATED PARTNER'S LIABILITY TO OTHER PERSONS.**

(a) A partner's dissociation does not of itself discharge the partner's liability for a partnership obligation incurred before dissociation. A dissociated partner is not liable for a partnership obligation incurred after dissociation, except as otherwise provided in subsection (b).

(b) A partner who dissociates without resulting in a dissolution and winding up of the partnership business is liable as a partner to the other party in a transaction entered into by the partnership, or a surviving partnership under [Article] 9, within two years after the partner's dissociation, only if the partner is liable for the obligation under Section 306 and at the time of entering into the transaction the other party:

- (1) reasonably believed that the dissociated partner was then a partner;
- (2) did not have notice of the partner's dissociation; and
- (3) is not deemed to have had knowledge under Section 303(e) or notice under Section 704(c).

(c) By agreement with the partnership creditor and the partners continuing the business, a dissociated partner may be released from liability for a partnership obligation.

(d) A dissociated partner is released from liability for a partnership obligation if a partnership creditor, with notice of the partner's dissociation but without the partner's consent, agrees to a material alteration in the nature or time of payment of a partnership obligation.
